

**HEALTHY PEOPLE 2020 GRANT PROGRAM FOR CHAPTERS
EMPOWERING FAMILIES, THE MEDIA, OR COMMUNITIES TO ADDRESS THE MENTAL
HEALTH CRISIS OF CHILDREN AND YOUTH**

Chapter:

Program Title:

Reviewer:

Brief one-sentence description of program:

1. Demonstrates potential for broad participation of chapter membership and/or is clearly aligned with chapter activities and strategic plan.

1	2	3	4	5	6	7	8	9	10
Limited participation/ Poor alignment.				Moderate participation/ Good alignment.				High participation/ Excellent alignment.	

Score:

Reason:

2. Focuses on populations with health disparities who are adversely affected by obstacles that impede their ability to maintain or improve their own health.

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
Target population is not at risk for health disparities and has good access to a broad array of health services.						Target population is at moderate risk for health disparities and/or faces moderate barriers in accessing health services.					Target population is at high risk for health disparities and/or faces significant barriers to accessing health services.			

Score:

Reason:

3. Describes activities, highlighting innovative and creative approaches.

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
Builds on existing approach with limited evidence of efficacy.						New variation of existing or previously described approach.					New approach not previously described; likely to be reproducible.			

Score:

Reason:

4. Identifies collaboration with private and/or public partners.

1	2	3	4	5	6	7	8	9	10
No partners identified.				Limited partner identification with some description of proposed activities.				Multiple partners identified with good description of proposed activities.	

Score:
Reason:

5. Program includes a concrete timeline for goals to be accomplished.

1	2	3	4	5	6	7	8	9	10
Timeline is not Described.				Timeline is described but very ambitious and unlikely to be achieved.			Timeline is described clearly and achievable.		

Score:
Reason:

6. Program includes a concrete budget for goals to be accomplished.

1	2	3	4	5	6	7	8	9	10
Budget is not clearly described.				Budget is described but is not realistic for project scope.			Budget is clearly described and realistic for project scope.		

Score:
Reason:

7. Demonstrates a realistic, achievable evaluation system.

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
No evaluation system presented						Some evaluation proposed but outcome measures not closely tied to objectives					Evaluation measures relevant outcomes and is achievable, realistic, and rigorous			

Score:
Reason:

8. Demonstrates potential for continuation of the program beyond funding period, including potential sources of future funding.

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
When current funding ends, project ends.						If successful, can scale up and has identified a possible funding agency.					Program has identified continuity of funding beyond the grant period and has letter(s) of support from outside agencies.
